

Twisters

© 1999 Ken Stiles

Find each word in **bold** in the Bible verses for each puzzle. The words twist and turn (either forwards, backwards, upwards, downwards, or diagonally) and do not follow a straight line. If the word appears more than once in the verse, then you need to find them more than once in the puzzle.

For example, in the following puzzle, the word “EVERLASTING” is shown in **bold**.
